## UNIVERSITY IN THE WORLD

### JOINING THE WORLD'S BEST – DEBUTING @ #731-740

You're not just choosing a university — you're stepping into the global spotlight. SEGi University is now officially ranked among the world's best, placing in the 731-740 band in the QS World University Rankings 2026.

This is your chance to learn, grow, and thrive at a university recognised for world-class teaching, real-world impact, and future-ready graduates. Welcome to a community that's not just part of the conversation — we're leading it.

The Quacquarelli Symonds (QS) World University Rankings are among the most trusted global benchmarks for university excellence.

There are an estimated 50,000 universities in the world. Of these, QS evaluates over 8,467 institutions worldwide based on academic reputation, employer reputation, faculty-to-student ratio, research impact, and international diversity.

Being ranked means a university has proven its quality, impact, and global relevance — and by joining SEGi, you become part of the world's best.

Being part of a world-ranked university isn't just about prestige — it's about recognition, opportunity and your future.

When you study at SEGi, you're joining a university that the world now recognises for academic excellence, impactful research, and graduate success.

At SEGi, your journey isn't just local — it's global. And this ranking is just the beginning of where your degree can take you.

#### A GLOBALLY RESPECTED DEGREE

Your qualification carries international weight. A SEGi degree gives you a competitive edge when applying for jobs, scholarships, or further studies abroad.

#### STRONGER EMPLOYER CONFIDENCE

Employers recognise the QS brand and value graduates from ranked universities. A SEGi degree signals that you're trained to global standards.

#### ACCESS TO GLOBAL NETWORKS

Join SEGi's international academic and industry community — with opportunities to collaborate, intern, and work around the world.

#### QUALITY THAT'S PROVEN

From personalised learning and industry-integrated projects to global research and diverse classrooms — you're learning from, and being mentored by, the best.

#### PRIORITY ACCESS TO INTERNATIONAL PATHWAYS

QS-ranked universities are preferred partners for credit transfers, postgraduate admissions, and student exchange. SEGi offers a smoother route to global education.

#### HIGHER VALUE IN THE JOB MARKET

A degree from a globally ranked university helps you stand out in competitive job markets — locally and internationally.

#### LEARNING WITH THE WORLD

You'll study alongside students and academics from across the globe — building cultural intelligence and real-world collaboration skills.

# LEARN UNDER THE BIGGEST & BRIGHTEST FROM THE INDUSTRY

To excel in your career from day one, you need cross-disciplinary skills, industry insights, and technical know-how. These are often not adequately provided by traditional education methods like written assignments, industry visits, or internships.

Our programmes integrate industry expertise directly into the classroom experience. Co-designed, co-delivered, and co-assessed by industry professionals, our programmes offer hands-on learning opportunities with over 300 partner brands. The aim is to ensure you have real-world experience and secure job or business opportunities before graduation.

FULLY ACCREDITED MICRO-CREDENTIALS APEL A/M/C/Q MOBILITY

The Bachelor of Education (Hons) programme aims at preparing students to meet the demands in the teaching profession for both public and private educational institutions. Thus, the programme provides an excellent opportunity for non-graduate teachers, school-leavers, and those interested in joining the teaching profession to be better equipped with a solid command of the knowledge and skills required for an educator.

Graduates of this programme will have an understanding of the history, philosophy, systems, practices, and challenges of educational development. The programme will enable scholars to develop competency in identifying the nature of learning experiences and problems faced by students, and to be professionally engaged in the teaching-learning processes and experiences, curriculum planning, aspects of educational institution management, and development of the profession. We offer 5 specialisations:

- Early Childhood Education
