LEARN UNDER THE BIGGEST & BRIGHTEST FROM THE INDUSTRY

To excel in your career from day one, you need cross-disciplinary skills, industry insights, and technical know-how. These are often not adequately provided by traditional education methods like written assignments, industry visits, or internships.

Our programmes integrate industry expertise directly into the classroom experience. Co-designed, co-delivered, and co-assessed by industry professionals, our programmes offer hands-on learning opportunities with over 300 partner brands. The aim is to ensure you have real-world experience and secure job or business opportunities before graduation.

BACHELOR OF PHARMACY (HONS)

KD(R2/727/6/0014) [02/29] [MGA/FA0325]

FULLY ACCREDITED

This programme focuses on developing pharmacists who can make a real difference to patients' well-being while enjoying a rewarding career. Throughout their course of study, students will have the opportunity to engage in experiential learning at Ministry of Health hospitals, community pharmacies, and pharmaceutical companies. Upon graduation, students will also have opportunities to work with Alpro Pharmacy Sdn Bhd and Sunway Multicare Pharmacy.

The study of drugs will progress from discovering, preparing, and analysing them for purity to formulating them into dosage forms acceptable to patients and ensuring their safe and effective use in the prevention and treatment of diseases. The programme integrates scientific knowledge with practical, clinical, and professional skills, preparing students to become competent healthcare professionals in the future.
